

LUE PUBLIC SCHOOL

Newsletter

Monday 20th July *** Week Two *** Term Three *** 2015

Principal's Note

Welcome to the newsletter for week 2.

We welcomed our first Little Lue, Ellie, last Thursday. Ellie will join us as a Kinder student next year so is participating in our Little Lue's program to help her get ready for 'big school.' She had lots of fun, settled beautifully and will join us again this week. It's wonderful to see our student numbers at Lue stay strong and confirms what we already know about our beautiful school.

Last week saw students starting to prepare for verse speaking, a drama piece and a music piece for the Small Schools Eisteddfod, which will be held in the last week of term. Your children will be bringing home copies of verses or spoken drama parts to practise over the next few weeks.

Our year 5 and 6 students are away at Mudgee High School today, developing their leadership skills with students from all over the region.

The Small Schools Athletics Carnival will be held at Walker's Field in Mudgee tomorrow. Please read the snippet for further information.

As we have had some very cold days lately, it's important that your children are 'layered up' for warmth whilst still wearing Lue school uniform. We do have some spare jumpers at school so please ask if you need one. The students still need to get outside for fresh air and exercise whatever the weather.

Caron McDonald (Relieving Principal)
Lue Public School

National Tree Day

This Friday, we will be participating in National Tree day activities. Volunteer staff from Bunnings will be at school to work with students to plant native trees and shrubs. Thank you to Bunnings for donating the plants and potting compost. Mudgee Guardian reporter, Sam Potts, will join us to take photographs and chat to the students and our volunteers.

Woolworths Earn and Learn Stickers

Once again we are collecting 'earn and learn' stickers at school. There is a special container in the office to deposit any stickers you have. Please encourage your family and friends to collect for Lue Public School. These stickers help us to purchase even more resources for your children at school.

Mudgee Small Schools Athletics Carnival

The Mudgee Small Schools Athletics Carnival will take place in Mudgee at Walkers Field tomorrow. Parents are responsible for transporting their children to/from the event and for supervision throughout the day, as staff will all have roles to do at the carnival. Although the event is for students turning 8 and over, there will be fun activities arranged for younger students. There won't be specific times for recess and lunch so students should eat when they have a break from events. A canteen will also be operating on the day.

To ensure the event does not run over time, organisers have decided that the numbers of students entering each event be restricted this year.

Please aim to be at Walker's Field from 8:45am, ready to begin. If you and your child will not be attending, could you please let us know.

Year 5 and 6 CLC Leadership Forum

Today, students in years 5 and 6 from all the schools in the CLC, will be attending the Student Leadership Forum at Mudgee High School. Mrs Robinson will be transporting students to and from the event and they will join other students from all over the Cudgegong Learning Community. I had hoped to join them at the event but due to other things have to remain at school. I look forward to hearing the ideas they bring back with them.

Year 5 and 6 personal development

This Thursday, 23rd July, students in years 5 and 6 will travel to Hill End Public School to participate in a combined personal development day. Students will travel with Mrs Robinson and join other students and teachers at the event. Once again, I had hoped to join them at the event but due to other things have to remain at school. I'm sure they will bring back lots of information to share with me.

Guitar Lessons for students in years 3 to 6

Once again this term, we will be subsidising weekly guitar lessons for students in years 3 to 6. A note will go home with students today.

P&C News

The next meeting of the P&C will take place next Wednesday (week 3, 29th July). We look forward to seeing you all there!

Lue Public School

This photograph was emailed to us by the granddaughter of a former Lue Public School student who is in the picture.

This photo was taken in 1912.

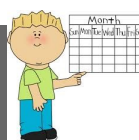

Can you still see the resemblance of the school today?

Rhys Robinson

Rhys has been working hard at school and trying to get all his work done in class. Well done, Rhys!
