Newsletter

Monday 31st October *** Week Four *** Term Four *** 2016

Principal's Note

Welcome to the newsletter for week 4. The weeks are flying past very quickly already.

Mr Boller and I had a fantastic day last Friday with the seniors at T20 cricket. The students showed off some great batting, fielding and ball skills. Well done Zac, Jackson, Rhys, Josharra, Elijah, Matthew E, Felixs, Harrison, Lola, Andre, Sarah and Yagan, great work boys and girls!

Thank you to those families who have replied already with their numbers attending the year 6 farewell at Club Mudgee on 6th December. It takes a lot of hard work to organise these events and we appreciate your support.

Canteen Lunches

Every Tuesday, we have a whole school canteen lunch. Parents and volunteers have provided wonderful, home cooked meals for students, serving them with a Milo for only \$4. The funds collected are available for reimbursement (receipts required please for accounting purposes) but most parents have chosen not to do so and are donating the meals to school. This is truly appreciated. The funds then go towards maintaining the breakfast club which is run 3 mornings a week.

This week, Kylee Robinson has offered to supply the lunch (thank you Kylee). We have offers for the next few weeks so thank you to everyone who contributes. We have added the details to the calendar over the page.

Catch me being good

This weeks draw from the 'catch me being good' slips was made this morning.

Congratulations to **Elijah Hutchison, Lola Stewart & Ellie Statham**.

Elijah receives a \$4 voucher for the canteen lunch tomorrow & each student will receive a merit certificate and a milo at lunch.

Keep up the great work boys and girls!

Year 5 & 6 Personal Development Day

Next Monday, 7th November, students in year 5 and 6 have been invited to attend a combined small schools Personal Development Day at Ilford Public School. Community nurses will be speaking with the students about puberty and some of the physical and emotional changes they may be experiencing. **A permission note will go home with students tomorrow. Please complete it and return it to school as soon as possible.**

P&C News

Canteen lunch on Tuesday is fried rice with chicken. Thank you Kylee Robinson for supplying the lunch this week, great value with a Milo at only \$4.

PBL Positive Behaviour for Learning

SAFE, RESPECTFUL, RESPONSIBLE

Students all know our key words and can explain what it means to be **safe, respectful and responsible** both in and out of the classroom.

This week we continue our focus on the playground areas, including the tennis court. Students will discuss the focus again on Monday morning and revisit it several times throughout the week.

SAFE

Stay in bounds, keep hands and feet to yourself, walk on all concrete areas, wear a hat.

RESPECTFUL

Play fairly and take turns, follow teacher, instructions, speak politely, agree on game rules before you play.

RESPONSIBLE

Put rubbish in the bin, solve problems calmly together or ask an adult to help, sit during eating time, use equipment sensibly, report any problems to an adult, negotiate and agree the rules of games before you play, go to line up quickly after the bell.

Students who demonstrate the skills for the week will continue to be rewarded with green slips for our weekly draw.

Our students have a say in what the consequences should be for ignoring expectations and are showing great responsibility in determining what they should be.

Our year 4 students are starting to develop their roles as school counsellors for next year by taking turns to work with the current year 5 and 6 students in their role of sport shed monitors at lunch and recess.
