Newsletter

Monday 14th November *** Week Six *** Term Four *** 2016

Principal's Note

Welcome to the newsletter for week 6.

Our senior students had a fantastic day last Tuesday at Touch football in Mudgee. They played their hearts out, learned lots of new skills and their behaviour was a credit to our school. Great job boys and girls.

Just a reminder that Troy Grant will be visiting school this Friday and hosting a community barbecue.

Mr Grant will host lunch between 1-2pm & will then talk to the students until 2.30pm. Everybody welcome to attend.

Swimming

This week we will be starting our swimming program for this term. Mr Boller will take small groups of students for swimming lessons on Wednesday and Thursday.

Please make sure your child's swimmers and towel are clearly labelled with their name.

Swimmers will be kept at school for the week (in labelled bags) and sent home at the weekend for washing. This saves us having to remind students each day and also disappointment if swimmers are forgotten. All students will be expected to apply sunscreen (provided at school) before swimming and, if the weather is exceptionally warm, hats will be worn in the pool.

NSW Surf Lifesavers will be at school on Monday 21 November to talk with the students. Children need to be at school ready for the 9am presentation, please.

Catch me being good

The weekly draw from the 'catch me being good' slips was made this morning.

Congratulations to **Oskar Sander, Zac Stewart & Harrison Panschow.**

Oskar receives a \$4 voucher for the canteen lunch tomorrow & each student will receive a merit certificate and a milo at lunch.

Keep up the great work boys and girls!

They will meet other students who will be joining them in year 7 next year and familiarise themselves with the school layout and with staff. The boys will also participate in a range of fun activities throughout the day. Parents are invited to a parent information session in the evening.

PBL Positive Behaviour for Learning

SAFE, RESPECTFUL, RESPONSIBLE

Students all know our key words and can explain what it means to be **safe, respectful and responsible** both in and out of the classroom.

Positive Behaviour
for Learning

This week our focus continues to be on the **sport shed, sandpit and fixed equipment**. Students will discuss the focus on Monday morning and revisit it several times throughout the week.

Our year 4 students are doing a great job developing their leadership skills in preparation for their roles as school counsellors next year.

Students who demonstrate the skills for the week will continue to be rewarded with green slips for our weekly draw.

PBL information for the week is on our noticeboard outside the office alongside the Lue News information.
