## Newsletter

Monday 21st November \*\*\* Week Seven \*\*\* Term Four \*\*\* 2016

### Principal's Note

Welcome to the newsletter for week 7. The final four weeks of term are on the calendar over the page. Please check it carefully for any important dates.

What a lovely day we had last Friday for Troy Grant's visit. Thank you to all our visitors, parents and community members who joined us on the day.

Mr Grant said the school was beautiful and provided so many wonderful opportunities for our students. Thank you to Deb, Daina, Yvonne and Anne for providing food and/or serving. The catering, as always, was first class.

Mr Grant was particularly impressed by his gift of a produce basket from our very own vegie garden and said it was the best gift he had ever received from a school!

I always feel so very proud when we have visitors to school as the comments they make about our school and students are always very positive.

The weekly draw from the 'catch me being good' slips was made this morning. Congratulations to **Harrison Panschow, Matthew Robinson and Natasha Panschow.**

Keep up the great work boys and girls!

**Harrison** receives a \$4 voucher for the canteen lunch tomorrow & each student will receive a merit certificate, ice block and a milo at lunch.

### Busy Bee

Our Busy Bee in the Junior Class for this week is **Natasha Panschow**

What PBL means to me! Natasha said,

"It means helping your friends and being a nice person."

### Surf Lifesaving "Beach to Bush"

Presenters from NSW Surf Lifesaving were at school today talking to the students about being safe around water. These discussions are particularly important as the long summer holidays approach. The session was lots of fun for everyone and taught a vital message about being safe around water.

## PBL Positive Behaviour for Learning

### SAFE, RESPECTFUL, RESPONSIBLE

Students all know our key words and can explain what it means to be **safe, respectful and responsible** both in and out of the classroom.

Positive  
Behaviour  
for Learning

This week our focus is on the **library**. Students will discuss the focus on Monday morning and revisit it several times throughout the week.

We have some beautiful new PBL signage at school which will be displayed in key areas as visual reminders for students. The strategies are working very well at the moment and we have very few incidences of inappropriate behaviour.

PBL information for the week is on our noticeboard outside the office alongside the Lue News information.
