

LUE PUBLIC SCHOOL

Newsletter

Tuesday 29th March *** Week Nine *** Term One *** 2016

Principal's Note

Welcome to the newsletter for week 9.

After participating in a merit selection process, submitting a written application and attending a formal interview, I am very pleased to announce that I have been successful in obtaining the permanent position as Principal at Lue Public School. I am absolutely thrilled and thank everyone who has supported me these past 15 months whilst in the relieving role.

What a wonderful array of colourful designs we witnessed last Thursday at the Easter Hat Parade. Well done to all the students and thank you to the parents and community members who came along to join in the fun. A special thank you must go to local resident, Bob Barnes, who judges the hats and provides chocolate eggs for every student each year.

We are in the last two weeks of term and this is the time when students may complete assessments of units of work to demonstrate their learning. Assessments also enable us as teachers to determine future individual learning goals in preparation for Term 2.

In these last two weeks we have several events happening. This coming Friday, Costa will be at school to talk to the students about native plants and suggest ways we can improve our garden areas.

Next week, our year 5 and year 6 students will head off to Hill End Public School for three days for an art camp. On Thursday of next week, all students will attend Dubbo Zoo as an end of term excursion linked to our studies of animal habitats and animal adaptations.

There is still a lot happening, so make sure you check your child's bag for any notes each day. **A reminder for students to wear joggers tomorrow and Wednesday for cross country practise.**

Caron McDonald (Principal)

Busy Bee

The Busy Bee in the Junior Class this week is **Rubie Veitch**. Rubie always tries hard with all her work and has a smile for everyone. Well done, Rubie!

Catch me being good

Our draw from the 'catch me being good' slips for last week was made this morning. Congratulations to **Matthew Robinson, Rhys Robinson and Lola Stewart**. Each student will receive a merit certificate and an ice block at lunch. Keep up the great work boys and girls!

Costa Georgiadis at School

This coming Friday we welcome celebrity garden expert, 'Costa', to Lue Public school. He will be talking to the students about caring for our gardens and suggesting some ways to get the best out of our garden areas (including the vegie garden).

Hill End Art Camp

Next week, students in years 5 and 6 will be attending a 3 day art camp at Hill End Public School. The camp is fully funded (no cost to families) and students will be joined by others in the same age group from local small schools. Final details about the camp and planned activities, including times etc, will be sent home with students.

Dubbo Zoo Excursion

On Thursday 7th April, all students will travel to Dubbo Zoo for an end of term excursion. The excursion ties in with our studies of animal adaptations and we will be joined by students from Goolma Public School. Please send permission notes and payment to school as soon as possible so we can confirm numbers attending. Final details, including times, will be sent home later this week.

P&C News

Thank you to everyone who came along to the meeting last week. The more 'hands on deck' we have, the more we are able to support the school and therefore your child.

Term 1 Assembly

Due to our school counsellors being away at art camp and the whole school excursion to Dubbo Zoo, our end of term assembly will take place on the last day of term (8th April) at 1:30pm. It is a time to celebrate the student achievements of the term and certificates will be presented. The assembly will be presented by our school counsellors in years 5 and 6. We hope to see as many of you there as possible. Parents may take their children home after the assembly.

ANZAC Day Parade

As usual, students from Lue Public School will be invited to march with other schools at the ANZAC Day parade and service in Mudgee on 25th April. The day falls at the end of the school holidays so we are reminding you in advance to enable you to add the date to your calendars at home.

Obviously we would like to see as many students attend as possible and students should wear full school uniform for the occasion. Reminders will be added to our Facebook page too. The marchers will assemble at the usual point outside Club Mudgee at 10:15am, ready to march at 10:30am. The commemorative service will take place at 11am.

Next week, students in the senior class will be researching a specific soldier and their work will be displayed at the RSL in Mudgee as part of a collection of work from schools in the surrounding areas to celebrate ANZAC Day.

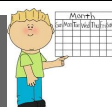

Felikss Sander

Felikss has made a determined effort with his reading this term.

Well done, Felikss!
