Principal's Note

Welcome to the newsletter for week 3.

What a super day we had at Bunnings last Tuesday. My thanks to Kerry and the team at Bunnings Mudgee for their hospitality. Students had lots of fun, learned about many different aspects of the store, which veggies to plant for the cooler months and were treated to a yummy barbecue lunch.

Lue students visit Bunnings

My thanks to Rylstone Public School for letting us join in their cross country event last Friday. Students gave their very best effort and had lots of fun. At the moment, there is no MSSN cross country event and we always hold our own little event. Rylstone very kindly invited us to join them for the day so the students could experience the event with another school. We will still hold our own Lue event on Thursday (19th May) and the zone event will be held on 20th May for selected students. Zone qualifying students will be notified later this week.

We have our first P&C meeting of term 2 on Wednesday. Students (or siblings) remaining at school during the meeting must remain in the classroom. There will be a movie on the smartboard, board games and drawing/colouring pages to complete. A fruit platter will also be provided. Students (or siblings) **will not be permitted to play outside or use the computers/laptops** due to lack of supervision. I was rather disappointed in the mess that was left by students after the last meeting.

Homework will go home today. Please contact me at school if you have any queries in regards to the homework your child is given. Whilst homework completion is not compulsory, it is recommended to support what we do at school and completion is rewarded with merits and Lue dollars.

Busy Bee

The Busy Bee in the Junior Class this week is **Khyarni Docherty**. Khyarni is trying hard to develop strategies for dealing with minor disagreements. Keep trying, Khyarni!

NAPLAN tests

Tomorrow our year 3 and year 5 students will sit two of the four NAPLAN tests this week. Language conventions (spelling and grammar) and writing will be done tomorrow, reading on Wednesday and mathematics on Thursday. I will supervise the students throughout the tests.

I know they will do their best and we wish **Sarah Stewart, Yagan Sloan, Rhys Robinson** and **Khy Docherty** the very best of luck.

Term 3 Excursion to Sydney

A three day excursion to Sydney has been planned for term 3 (22—24 August). Students in years 1 through to year 6 will be invited to attend.

Final costs will be confirmed this week and a letter will go home asking you to submit an expression of interest for your child together with a deposit to secure a place.
