The day after the Lue Cross Country event, 7 of our students attended the Zone Cross Country event at Rylstone Golf Course. Well done to **Zac Stewart, Jackson Griffin, Rhys Robinson, Khy Docherty, Harrison Panschow, Matthew Robinson** and **Matthew Elkins** on making it through to zone level. I know how hard you all tried.

A special mention must go to **Zac Stewart** who has now made it through to Western. Zac will go on to compete at Guerie in June. Fantastic!!!!

There are still many more things happening for the students this term including a performance at Rylstone Public School this week, the CLC art show, a visit to the dental unit at Charles Sturt University in Bathurst, the MSSN Public Speaking competition, Crazy Hair day and much more. Keep checking the calendar each week for any events being added.

### Resilience Show 'Its' a Mad World'

Students will travel to Rylstone Public School on Wednesday to watch a travelling performance which focuses on student resilience and confidence to have a go. **The cost is \$5 per student and a permission note is attached. Please return permission note and payment tomorrow.**

If you would like further information about the performance, have a look at:

Students will travel in teacher cars, leaving school at 9:30am and returning at 11:30am.

**MAD WORLD**

### P&C News

**CANTEEN tomorrow: Home made chicken soup, bread roll & a milo = \$4 per student. Yum, Yum!**

## Breakfast Club

After a discussion at the last P&C meeting, we will be trialling a breakfast club at school on Mondays, Wednesdays and Fridays (at **NO COST** to students). Many students get up early and are hungry again by 8:45 (especially those who have to travel a distance to get to school). If they are hungry, their concentration level dips dramatically which can then affect the learning in the classroom.

On Mondays and Wednesdays, students will be offered toast with either butter, vegemite or honey and/or cereal (Weetbix or Just Right).

On Fridays, students will be offered something a little different - eg scrambled eggs or beans on toast.

Our first breakfast club took place today and seemed to be very popular. We will be keeping a track of how well the service is used to determine its viability.

## Felikss Sander

Felikss always has something interesting to share in class discussions.

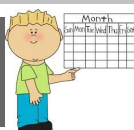

Well done, Felikss!
