Newsletter

Monday 27th June *** Week Ten *** Term Two *** 2016

Principal's Note

Welcome to the newsletter for week 10.

Well, we made it. The last week of Term 2, and what a busy term it has been! This week shows no signs of slowing down either. There are still lots of things happening at school. An outline follows but see the individual snippets for additional information.

- Semester 1 reports will be sent home today.
- Students will be practising athletics skills in small groups with Mr Boller on Wednesday and Thursday in preparation for the MSSN athletics carnival in Term 3, week 1. Please ensure appropriate footwear is worn.
- Our Term 2 assembly will take place on Wednesday at 10:30am.
- Students will be able to join us for a disco after school on Thursday followed by a sausage sizzle. Appropriate behaviour from students is still expected right up until the end of term. Inappropriate behaviour or non-compliance will result in students not being allowed to attend the disco.

Caron McDonald (Principal)

Term 2 Assembly

This Wednesday (29th June) at 10:30am, we will be holding our Term 2 assembly in our Library (it's a bit chilly to be outside). We hope to see as many of you while we celebrate this term's highlights and achievements. Certificates and awards will be handed out and the assembly will be followed by light refreshments for parents and visitors.

End of Term Disco

This coming Thursday (30th June), we will be holding a disco at the Lue hall after school for students as a reward for their hard work this term. Students may bring party clothes to wear and, after changing, we will walk to the hall at 3:30pm. Parents are welcome to come along to join us for a sausage sizzle at 5pm and to collect their child. There is no cost for this event.

Semester 1 Reports

Semester One reports have been sent home with students today. If you would like to arrange a meeting to discuss your child's report with myself or Miss Heraghty, please ring me at school on Tuesday morning with a time that suits you this week and we will make arrangements to speak with you.

Catch me being good

The last draw for Term 2 from the 'catch me being good' slips was made this morning. Congratulations to **Oskar Sander, Yagan Sloane and Sarah Stewart**.

Oskar will receive a free canteen lunch tomorrow and each student will receive a merit certificate and a milo at lunch.

Keep up the great work boys and girls!

Welcome to our newest student!

Welcome to our latest enrolment, **Kaspar Sander**. Kaspar has now joined us full time at school and has made lots of new friends already.

P&C News

The canteen lunch tomorrow has been very kindly provided by Mrs Yvonne Butler.
Macaroni cheese, bread roll & milo \$4.

Mid Western Regional Library Services

The mobile library van visits school every three weeks and students are able to borrow books to read through the school library membership. Last week, Fiona from Library services popped in to show the students how to access a collection of resources online through the library services. Some of the resources would be very useful at school, some they can access at home. In order to access many of the items, the students need to have membership to the library as the online system won't support all of them accessing through the school membership number at the same time.

If your child already has a library membership card (Mudgee or Kandos), could you please send their membership number into school ready for them to use next term.

If your child does not have a membership card, we have attached application forms to the newsletter this week. If you could complete it and return it to school, we can arrange for their membership card to be obtained.

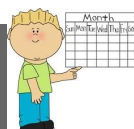

If you have any additional questions about the library membership, please contact me at school.

Lola Stewart

Lola works hard at school every day and always has time to help others. Well done, Lola!
