Variety Bash

This Friday we will be welcoming over 250 people to our school between 11am and 2pm. Come along and see the variety of cars that will be here and for the draw of the helicopter flight.

One lucky student will be drawn from the tickets on Friday to win a 20 minute joy ride on the day (with an accompanying parent or adult). Tickets are still available to purchase (\$2 each). Please return all tickets prior to Friday.

Join us for a fabulous lunch, kindly catered by our wonderful P&C, for only \$5. There will be a variety of raffles and stalls also on the day so be sure to bring along a few dollars to join in. All proceeds from the event go towards supporting your children at school.

CAN THOSE PARENTS WILLING TO HELP ON THE DAY PLEASE CALL DEB ON 0466 015 275.

Due to the large number of cars present around the school on Friday, we ask all parents to park along the back fence of the school (Dowling Street). Due to WH & S requirements parents will have to walk around the block and enter at the main gate for sign in purposes, please. Thank you for your cooperation.

Thank you to **Yvonne Butler** for supplying our canteen lunch tomorrow. For only \$4, students can have a yummy homemade **chicken pasta bake** and milo!

This week our focus is on the **PLAYGROUND**. The playground is an area which is less structured than in the classroom and can often be where minor issues with students occur. Students are explicitly taught to problem solve as independently as possible if an issue arises but know that they seek help from staff if they can't reach an agreement. This takes time and a lot of patience. At this young age, students generally see everything from their own point of view and being able to empathise with others and relate to someone else's point of view needs to be taught and reinforced daily.

Students will discuss the focus on Monday morning and revisit it several times throughout the week.

Students are working hard to demonstrate the behaviours of being **safe, respectful and responsible** by practising the explicit skills below.

PBL information for the week is on our noticeboard outside the office alongside the Lue News information.

SAFE

- *Stay in bounds
- *Keep hands and feet to yourself
- *Walk on all Concrete areas
- *Wear a hat and sunglasses when outside

RESPECTFUL

- *Play fairly and take turns
- *Follow teacher instructions
- *Speak politely
- *Agree on game rules before you play

RESPONSIBLE

- *Put rubbish in the bin
- *Solve problems calmly together or ask an adult to help
- *Sit during eating time
- *Use equipment sensibly
- *Report any problems to an adult
- *Negotiate and agree the rules of games before you play
- *Go to line up quickly after the bell

Our 'student of the week' this week is **Matthew Elkins**. With our PBL focus this week, Matthew tries hard to be **respectful by agreeing on game rules before he plays**.

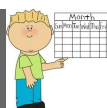

Junior Class Busy Bee

Our Busy Bee for this week is **Aliza Butler**.

With our PBL focus this week, Aliza has been trying hard to be **responsible by using equipment sensibly**.
