

# LUE PUBLIC SCHOOL

## Newsletter

Monday 21st August \*\*\* Week Six \*\*\* Term Three \*\*\* 2017

### Principal's Note

Welcome to the newsletter for week 6.

We welcome Miss Rhiannon Gillmore in her final teaching practice to the senior classroom this week. Miss Gillmore will join us on Tuesday and be at Lue for the remainder of the term.

It's book week and our book fair is set up for students to browse and purchase from throughout the week. There will be an opportunity for parents to come along and have a look on Friday following our costume parade.

The week 6 draw from the 'catch me being good' slips for this term was made this morning.

Congratulations to **Kaspar Sander, Nyah Watmuff & Ellie Statham.**

**Kaspar** will receive a \$4 voucher for the canteen lunch tomorrow & each student will receive a merit certificate and a milo at lunch tomorrow. Keep up the great work boys and girls!

### Eat it to Beat it, fruit & veg sense Parent Workshop

The Fruit & Veg Sense session offers parents practical and relevant information to build on their existing skills in preparing healthy family meals, with a focus on increasing fruit and veg across the day. Sessions are free to attend and you will receive handy tools including a recipe book, fridge magnet, healthy snack ideas for kids, and strategies for fussy eaters.

Some of the topics covered in the session include:

- How to save time and money making healthy meals the whole family will enjoy
- Learn clever ways to entice fussy eaters to eat more fruit and vegetables
- Improve the long term health of your family
- How much is a "serve" of fruit and veg and how many serves do we need?
- Easy, family-friendly recipe ideas.

**The session runs from 11am—1pm. Please call the school to let us know that you are attending.**

**Come and join us next Tuesday at 11am.** Younger siblings are also welcome to join K-6 in the classroom for some healthy craft while parents attend the session.

I will continue with LMBR (finance) training again today and Mrs Argus will teach the senior class in my absence. This is the last training session this term.

Well done to our homework heroes this week—**Felikss, Matthew, Yagan, Oskar, Ellie, Nyah, Kaspar, Tyler, Xavier, Aliza & our Little Lue Charli.** A merit certificate and Lue Dollar has been given to each student.

Senior students will participate in their second debate on Thursday via VC against Goolma Public School (it was postponed last week). The topic is 'that it's better to solve problems on earth than explore Mars' and we will be arguing the negative position. The team for round 2 will be Elijah, Matthew, Felikss and Oskar. We wish them the best of luck in what will be a challenging debate!

Kane Radford from Jump Rope for Heart will be starting off our fundraising this term with a skipping workshop for students on Tuesday. Students will be taught some amazing skipping tricks and routines—all for a great cause!

### Little A's

Registrations for Mudgee Little Athletics are now open. Please head to <http://www.lansw.com.au/> to register for the 2017-2018 season. Competition commences on Friday 6<sup>th</sup> of October, 5pm, at Walkers Field Mudgee and runs through until March. For more information head to the Mudgee Little Athletics Facebook page or contact Katie on – 0409810954 or Kristy on 0488555938.

### TEAM

Together Everyone Achieves More  
**Caron McDonald (Principal)**

### P&C

Thank you to **Miss Heraghty** for supplying our canteen lunch tomorrow. For only \$4, students can have yummy homemade **bolognaise pasta bake** with milo!

This week our focus will continue to be on **TOILETS**.

Students have been discussing the importance of handwashing and how germs can pass from person to person.

The expectation is that children go to the toilet when they need to, wash their hands after going and return to class straight away.

Ensuring student **privacy** is a priority and maintaining **good hygiene** is essential if we are to keep bugs at bay as much as possible. Children also need to be taught how to **wash their hands** properly. They also need to ensure they dry their hands properly after washing as wet hands can easily become chapped and sore in this cold weather. We provide hand sanitizer in each classroom to take germ prevention one step further.

#### SAFE

- \*One person in cubicle
- \*Wash hands
- \*Walk at all times
- \*Keep food outside toilet area

#### RESPECTFUL

- \*Follow adult instructions
- \*Allow others privacy
- \*Clean up after yourself
- \*Speak politely

#### RESPONSIBLE

- \*Report any problems to an adult
- \*Use toilet paper, soap and taps correctly
- \*Flush the toilet after use
- \*Wait for friends outside
- \*Use the toilet during lunch and recess
- \*Return to class quickly after using the toilet during lesson time

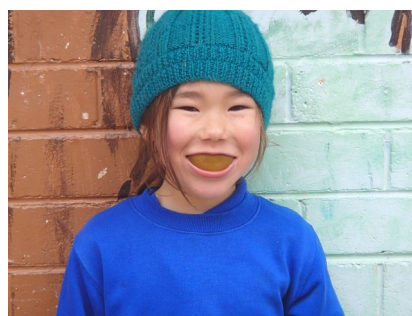

Our 'student of the week' this week is **Elijah Hutchison**. Elijah shows responsibility by reporting any problems to an adult.

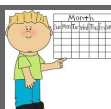

### Junior Class Busy Bee

Our Busy Bee for this week is **Nyah Watmuff**. Nyah always demonstrates being respectful to others by speaking politely at all times.
