From the Principal's Desk...

Welcome to the newsletter for term 2 Week 3. I can't believe we are in week 3 already!

What a wonderful turnout we had for our Mother's Day paint and nibble last week. Every student had someone joining them which was so lovely to see. In one group we had four generations of the one family – amazing! Watching students and families interact together in a creative way was just beautiful and we had so many positive comments afterwards. The bar has now been set for Father's Day and Grandparents Day later in the year.

There are a number of things happening this week and our P&C are seeking volunteers to help out too – more details inside the newsletter.

Here's to a fabulous week!

Caron McDonald (Principal)

*Empowering students through excellence in education to **DREAM** of a bright future, **BELIEVE** in themselves and others, and **ACHIEVE** their full potential.*

WHAT'S HAPPENING TERM 2 WEEK 3

Parent Teacher interviews this week

Day	Event

WED 14th	Athletics K-6 P&C meeting AGM at 2:30 Scripture K-6
THUR 15th	Book Club at lunchtime
FRI 16th	50c Fridays Sausage rolls Zone Cross Country

Attendance

Thank you for helping us to ensure your children do not miss out on anything. Every minute lost adds up. We are committed to ensuring our attendance remains positive and will work with families where required to support any attendance concerns.

Birthday at school

Wishing Lilly a very happy 9th birthday today. We hope you enjoy your gift and had fun making birthday cake to share with the students.

Parent/Teacher meetings

Thank you to those families who have already locked in a time for meeting with your child's teacher this week. If you have not yet done so, please contact us to let us know when works for you and we will do our best to accommodate you.

P&C meeting

Our next P&C meeting is on Wednesday at 2:30pm. We would love to see some new faces to discuss the things that are happening at school over the coming term.

Zone Cross Country

Knox, Ryder and Brooklyn will represent Lue Public School at the Zone Cross Country event on Friday in Rylstone. We wish them every success and their respective races. Run like the wind boys and girls!

**VOLUNTEERS
NEEDED**
Swapmeet

Our P&C are running a coffee and cake stall at the swapmeet in Rylstone this coming Sunday and are looking for volunteers to give an hour of their time to help. Volunteers are needed between 8am and 2pm. If you can help, please contact P&C president Alicia Hawkins on 0438485304 or reply to the posts on facebook. They are also looking for donations of cakes and slices to sell on the day. If you are able to donate anything, please send them in to school on Friday and a P&C member will collect them to take them to the swapmeet.

KNOX

Knox is stepping up to really demonstrate his leadership skills at school.

KAYDEN

Kayden is working really hard to follow teacher directions first time, every time.

School photos

Just a reminder that school photos are next week, Wednesday 21st May. Please return your forms as soon as possible.

On photo day, students are to wear shorts and polo tshirts, they can come to school in long pants and change just for the photos if needed, Girls can wear school dresses if they wish. Black footwear please and long hair tied up using school colours for ribbons or hairbands. It is a good idea to put a hairbrush or comb in your child's bag (they will not share them with other students).

Thank you
FOR JOINING US

**HOMEWORK
HEROES**

Well done to the students who submitted their homework on time last week: Lilly, Kasey, Ryder, Knox, David, Brooklyn, Sadie, Nora, Fallon W, Kruze and Kayden.

From the

JUNIOR CLASSROOM

In the Junior class this week, students will be starting their speeches for the MSSN Public Speaking event at the end of term. They will start by planning what they will write about and build their drafts over the coming weeks. The speeches will be sent home once complete to practice at home.

In mathematics, students in kindergarten will meet Gus the Plus and Linus the Minus to build their understanding of addition and subtraction. Stage 1 students will grow their understanding and application of addition and subtraction skills.

We have started to learn our class dance for the Eisteddfod next term, learning it early so we are prepared. Students are very excited to put it all together.

From the Senior Classroom

What a fabulous day we had last Friday at Hill End where students were really able to bring their History studies to life looking at artefacts and experiencing a real mine tunnel. The students were all very excited to find some gold flakes when gold panning – that was just the icing on the cake for the day.

This week we are really diving into our class text looking at a hybrid text that provides both descriptive and factual information on the same topic. Students are learning to identify the features of the hybrid text and examine tier 1 vocabulary (every day words), tier 2 vocabulary (more powerful vocabulary eg huge instead of big) and tier 3 vocabulary (context specific words). This deep dive into the text is really going to support them when they start writing their own hybrid text.

In Mathematics this week we are looking at additive relations and, in particular, how we can use our skills of addition to support us with subtraction – inverse operations.

Our Google Classroom unit on Ned Kelly had every student focused and concentrating so well last week. I can't wait to see what they do this week!

DATES FOR YOUR DIARY

	Monday	Tuesday	Wednesday	Thursday	Friday
3	Parent Teacher meeting 12/5  Library visit 12/5 	 13/5 Parent Teacher meeting	Athletics K-6 14/5  P+C Meeting 14/5  Scripture 14/5 	15/5  Parent Teacher meeting	16/5  Zone Cross Country
