Newsletter

Monday 17th September *** Week Nine *** Term Three *** 2018

Principal's Note

Welcome to the newsletter for week 9.

Well done to **Oskar Sander** who represented Lue Public School at the regional finals of the Premier's Spelling Bee last Monday. Although he does not proceed any further in this year's competition, it's an awesome achievement to participate and we hope he will give it another go next year.

Well done also to **Yagan Sloane** who represented Lue Public School at Western Athletics in the shotput event last Friday. Competition was fierce and Yagan threw a terrific distance.

Last Wednesday I had the pleasure of taking the senior students to Mudgee for the annual Green Day event. Students participated in workshops about recycling, made a worm farm and examined their own environmental footprint before having a yummy barbecue lunch. After lunch they listened to TV presenter Craig Receussal talk about the importance of reducing the amount we waste. Some very clear messages came home with all the students and we will follow up many of them in the coming weeks.

The senior students will participate in another debate via VC this Thursday against Glen Alice Public School. The topic is 'that fantasy is better than fact' and we are arguing the negative position. Our best wishes go with the boys once again.

Our gymnastics lessons have now finished for the term but students will still walk to the hall this Wednesday for Eisteddfod practise on the stage.

All students will participate in the MSSN Eisteddfod next Wednesday (26th) at the Town Hall Theatre in Mudgee. **There will be no Little Lues on that day.**

Remember if you want to discuss anything about your child's education, our door is always open.

Term 3 Disco

Little Lues are invited to come to school next **Thursday 27th September** and join us for a Term 3 disco which will take place between 2pm and 4pm at the Lue Hall.

Ken our bus driver has very kindly offered to run the return bus trip at 4pm instead of 3pm so parents do not have to come to pick up their children unless they want to. Students who do not usually travel on the school bus must be picked up at the hall by 4pm.

We will walk students to the hall after recess and they will have dances and games until 3:30 when they will all have a sausage sizzle and a popper drink.

At our recent P&C meeting, parents discussed a possible theme for the disco and came up with the idea of famous singers. Obviously dressing up is optional and party clothes may be worn instead. Students should come to school in uniform as usual but can bring an outfit to change into.

P&C

Thank you Mrs Murdoch for providing canteen lunch tomorrow. For only \$4 (or the term prepayment), students can have a yummy Meat Pie and a Milo.

Student of the Week

Our 'student of the week' for week 9 is

Nyah Watmuff.

Nyah has been working hard to become more independent when using the computer at school. Well done, Nyah!

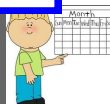

Junior Class Busy Bee

Our 'Busy Bee' for week 9 is **Tyler Charters.** Tyler has been helping other students to solve problems when playing and discussions on how to make games fair for everyone. Well done, Tyler!
